Monthly Average Spending Per User

The sum of the spendings per user in a year can be found in the right-most column. To find the monthly average, divide that value by 12.

```
mysql> select * from user as u join (select acc_num, sum(amount) from transactions where amount < 0 group by acc_num) as p on u.acc_num = p.acc_num;
+-----------+------------------------------+----------+-------------+-------------+---------+---------+-------------+
